INSTITUTE OF TECHNOLOGY

DATUM
ACADEMY

Among the oldest Universities in Europe (founded 1240)

- member of Coimbra group

Medium size generalistic university

- about 15k students
- about 70 degrees (Ba, Ma) - some taught in English
 - Economics, Law, Political Sciences, Social Sciences
 - Cultural Heritage, Education, Literature, Languages, History, Philosophy
 - Biotechnologies, Medicine, Dentistry, Health professions
 - Environmental Sciences, Biology, Chemistry, Pharmacy, Geology
- about 800 professors

Department of Information Engineering and Mathematics

UNIVERSITÀ
DI SIENA
1240

DIPARTIMENTO DI
**INGEGNERIA DELL'INFORMAZIONE
E SCIENZE MATEMATICHE**
— DIISM

- Artificial Intelligence Laboratory (SAILab)

- about 30 researchers in AI

- MSc in Artificial Intelligence and Automation Engineering

- tracks: Intelligent Systems/Robotics and Automation
- about 20-30 students enrolled each year
- taught completely in English
- open to international students
